■ COMMEMORATIVE TREE GIFT PROGRAM

■ PLANTING THE FUTURE

The Cincinnati Parks Foundation provides a way to donate trees to Cincinnati Parks through a Tree Gift Program. This program has been established to provide you with a personal way to support the efforts of the Cincinnati Park Board to plant and maintain trees in Cincinnati parks. The Park Board is committed to ensuring that the city will always have a healthy urban forest. With a maturing park system, now is the time to plant for the future.

There are two ways to contribute: General Reforestation and Commemorative Trees.

■ GENERAL REFORESTATION

For donations of \$25 and more, funds will be combined to purchase trees for general reforestation. Gifts will be recognized with a letter sent to the donor and/or family or persons being honored.

■ COMMEMORATIVE TREES

For each donation of \$500, donors may purchase a tree in memory or honor of whomever they designate. Trees will be approximately 1.5 to 2 inches in diameter.

Species

Donors may request a particular species tree. See list.

Location

Donors may request the park in which the tree is planted, but all location and species choices are the final decision of the Park Board.

Planting

All trees will be planted in the fall. After the tree is planted, a map will be sent to the donor showing the final tree location.

Acknowledgement

After planting, a 3" x 5" plaque recognizing the donor and/or the person(s) being honored will be placed on a tree limb.
